CITY COUNCIL MEETING OF: January 17, 2007

MIKE THOMPSON, Supervisor of the Special Improvement District Division, thought that Items 63 and 64 should be heard after approval of the related ordinance. MR. KAJKOWSKI indicated that was not necessary.

TOM MCGOWAN, Las Vegas resident, stated that of the 18 medallions incorporated in this project only four relate to East Fremont. After not receiving an answer and feeling ignored by the Council, he indicated that the Council needs to start respecting the public.
